#### **Exhibition 2015**

Exhibitions are the ultimate display for one artist or a collective groups creative work. Students at all levels often visit these shows, as a way of viewing art first hand. They are typically assigned by their educators to collect their thoughts in the form of articles. The articles made are a display of the knowledge of artistic techniques learned in class.

Jewellery is a universal form of adornment. Jewellery doesn't necessarily mean ornaments made from precious metals. Jewellery can be made from shells, bones, wood, paper etc. the inexpensive and more affordable ones made from stones, bamboo, seeds or even wheat dough are more than acceptable these days. It is likely that from an early date it was worn as a protection from the dangers of life or as a mark of status or rank.

In the month of September 2015 the Department of Fashion and Apparel Design conducted an exhibition in the old campus premises of Bangalore City College, Kalyan Nagar. This exhibition was conducted with the motive of encouraging students with respect to improve their fashion skills, getting acquainted with the present trends and also to inculcate the marketing strategies for entrepreneurship.

The exhibition cum sale was headed by the HOD of Fashion and Apparel Design, Mrs. Hadiya Zaineb along with her talented staff. The students of all 3 years of B.sc took active part and showcased their handmade pieces of efforts and talent. The collection on display included garments, jewellery items and accessories. The entire collection was modestly priced.

**The garment on Display included hand painted sarees in vibrant hues.**

Moving on, the jewellery section had many people thronging their stalls trying on different accessories including colorful ear rings, bracelets, anklets, neck pieces and hair accessories. This again varied from coloured stones and artificial crystals to sea shell jewellery. The students had designed everything from scratch. Majority of the collection included individual items on sale. However, the team had also designed few set collections with ear rings, neck pieces and bracelets all inclusive as one.

**The other collection included mobile pouches, hand bags etc.**

The exhibition lasted for a day. A huge crowd of students and lecturers purchasing and appreciating the collection has definitely given encouragement to the participants, to indulge themselves in such activities so as to help discover their potentials.

The fair was beautifully staged to evoke the spirit of motivation, inspiring unique ideas for stylish living and socializing.

Hi Hadiya,

As discussed this morning, we will conduct a 3 day workshop at Bangalore City College on 13<sup>th</sup>, 14<sup>th</sup> & 17<sup>th</sup> August from 10 am to 1pm at your college premises. Please share the college address.

Our resource person Ms. Shaila will conduct the workshops simultaneously for 18 participants – 9 for Crochet & 9 for Tatting. Please send us a confirmation mail for us to initiate the order for the workshop kits.

We are sorry, we will not be able to reduce the Workshop fee any further than Rs600/- per head. This is rock bottom price as this is part of our Anchor School of Embroidery initiative.

Certificates will be issued to the students on completion of the workshop kit.

Looking forward to a long association with Bangalore City College.

Hi Hadiya,

Which form of embroidery would you like to start off with? Is it just one workshop or a series of workshops.

What is the reduction in workshop fee that you are looking at?

Thanks &amp; Regards
